When considering your donation of a new gift or toy, please remember that sixty percent (60%) of our patients are under the age of 3 and that Children's Medical Center Dallas provides services to many teenagers, as well. (*Shaded areas denote high need*)
 ***indicates high volume use. Please note that only new stuffed animals may be accepted as donations due to infection control policies. Gift cards are also welcomed from Wal-Mart, Target and Toys R Us and will be used to purchase supplies and specific requests from patients. Your interest is very much appreciated! To schedule your visit/delivery, please contact the Child Life / Child Development Office at 214-456-6280.
